IRT rolling out new Rowan University login page

As part of our ongoing efforts to improve the security and accessibility of our services, Information Resources & Technology will be performing updates to our single sign-on system over the next several weeks.

During this upgrade, the login screen for many University resources will change. Before entering your Rowan Network account credentials on any unfamiliar login page, please verify the site looks similar to one of the images below:

OLD LOGIN SCREEN  NEW LOGIN SCREEN

Also check that the URL of the site begins with one of the following: https://login.rowan.edu/cas or https://cas.rowan.edu/cas

The upgrade to these services is scheduled to begin Monday, July 3, and will be completed on or around Tuesday, August 15.

Changes for the week of July 3 to July 7 include, but are not limited to, the following services:

- Library Resources and Databases
- Microsoft Office 365
- Kaltura
- Lynda
- GoSignMeUp
- ServiceNow

Changes for the week of July 10 to July 14 include, but are not limited to, the following services:

- Google Apps

Changes for the week of July 17 to July 21 include, but are not limited to, the following services:

- Rowan Online Portal
- Canvas LMS
- Blackboard LMS

Please contact the Technology Support Center at 856-256-4400 or support@rowan.edu with any questions or concerns.
