Support Services

Summary
The Technology Support Center and Technology Assistance Center provide a wide variety of technology services designed to empower students, faculty, and staff to do the things they want to accomplish.

Our main objective is to help Rowan users with computer software and hardware, mobile devices, email, printing, access to network services, network accounts, and all aspects of telecommunications, whether on or off campus.

Submit a Work Order
If you need help with a technology-related issue, there are three convenient ways to submit a work order.

1. Visit http://support.rowan.edu and login with your network username and password. If you do not know your username or password go to http://id.rowan.edu to reset your password or retrieve your username.
2. Send an email to support@rowan.edu to create a ticket automatically.
3. By telephone, call ext. 6-4400 if you are on campus. If you are off campus, dial 856.256.4400.

You can always also visit the Technology Assistance Center in Memorial Hall.
